Facade Materials

ACP (Aluminium Composite Panels) & HPL (High Pressure Laminate)

- Modern Appearance: Lightweight, sleek, and stylish; available in multiple colors & finishes.
- Durability: Resistant to weather, corrosion, and UV rays.
- Flexibility: Easy to cut, bend, and shape for creative facade designs.
- Low Maintenance: Smooth surface, easy to clean, long-lasting finish.
- Widely used in commercial buildings, malls, corporate offices, and modern homes.

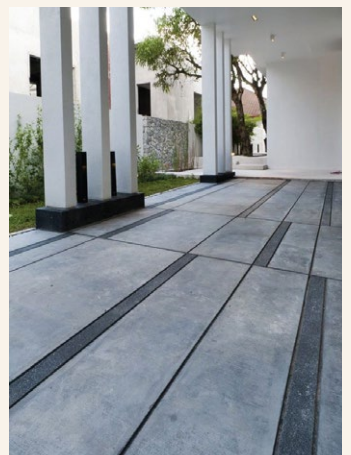

WPC (Wood Plastic Composite)

- Eco-Friendly: Made from recycled wood fibers and thermoplastics.
- Aesthetic Appeal: Gives the natural warmth of wood with the durability of composite material.
- Durability: Resistant to termites, moisture, and rot; longer lifespan than natural wood.
- Maintenance: No polishing or painting required.
- Ideal for outdoor cladding, garden facades, and sustainable architecture.

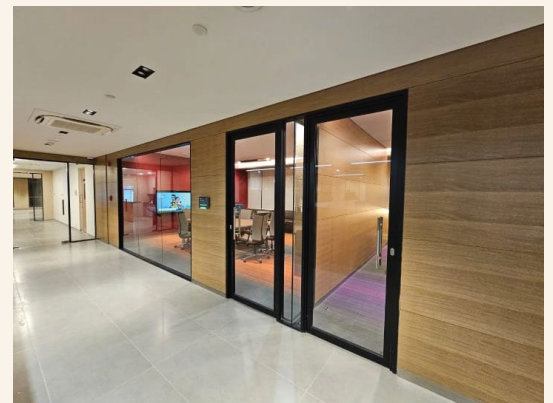

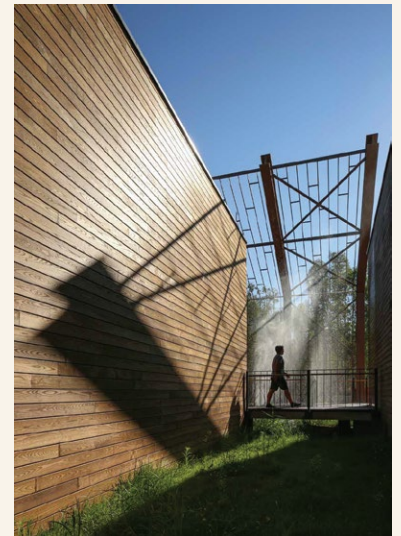

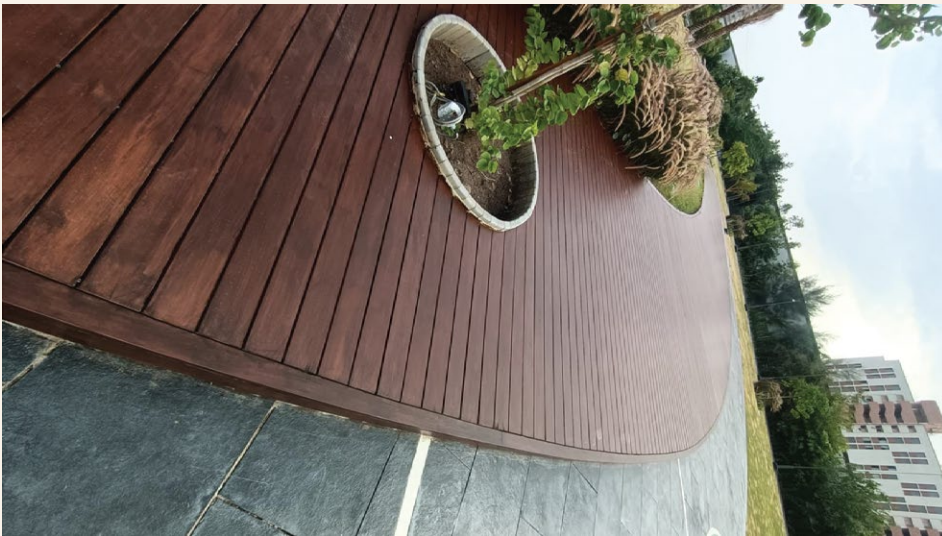

Floor & Wall

"complete solution for a wash area" involves selecting the right type of wash basin and its surrounding features for a functional and aesthetically pleasing space

Wooden Finishes

- Elegance & Warmth: Brings natural richness and a timeless look to any facade.
- Customizable: Available in multiple shades, textures, and grains.
- Insulation: Good natural thermal and sound insulation.
- Premium residences, villas, resorts, and spaces where luxury aesthetics are a priority.

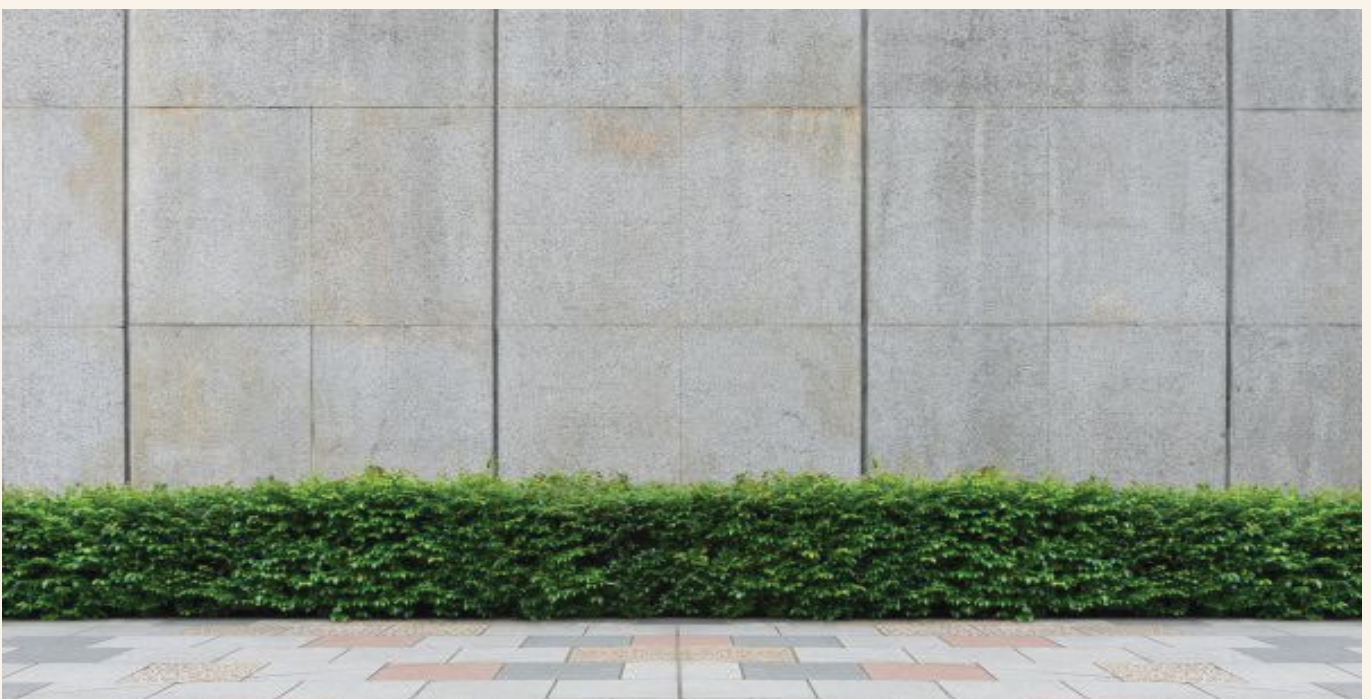

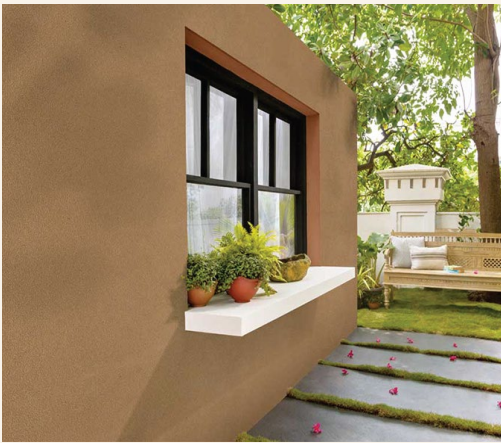

Aluminium Door and Window

- **Strength:** Aluminium is very strong, lightweight, and rust-proof.
- **Design Flexibility:** Slim profiles allow larger glass areas, providing maximum natural light.
- **Low Maintenance:** Requires minimal upkeep compared to wood.
- **Ideal for modern homes, offices, and commercial buildings.**

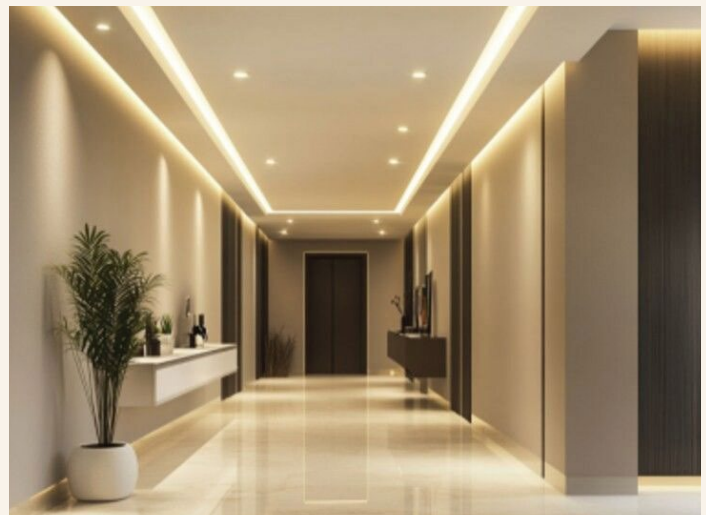

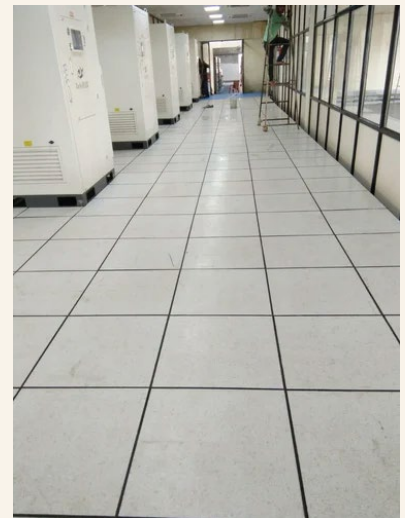

Colour and Texture

Available in a wide range of powder-coated colours, matte or glossy finishes, and wood-like textures to match any architectural style.

False Ceiling and False Floor

- Enhanced Aesthetics Create clean, modern interiors while concealing wiring, ductwork, and utilities.
- Thermal & Acoustic Insulation Improve energy efficiency and reduce noise with smart ceiling and flooring solutions.
- Flexible Access & Design Allows easy maintenance and future upgrades without disturbing the overall structure.
